JOST expands its global network with Middle East Fzco

On November 21, JOST officially opened its new site in Dubai. The world-leading producer and supplier of safety-critical systems for the commercial vehicle industry thus strengthens its global sales network and company presence in Middle East.

The JOST brand has been established in the Middle East market for many years. With the new site in strategically located Dubai, there is now a local branch which can act immediately and is available at all times for customers and their growing requirements. JOST Middle East Fzco sells proven JOST products, such as fifth wheel couplings, landing gears, king pins and trailer axles. Under the management of Managing Director Farah Kik, the product portfolio will be expanded to include all JOST products in the future.

Joachim Dürr, CEO of JOST, is pleased with the network expansion: “By opening the new site in Dubai, JOST is decisively pursuing its strategy of customer proximity and strengthening its global presence which ensures market and application support. The unique location Dubai offers global reach and access to key markets in the Middle East.

About JOST:

JOST is a world-leading producer and supplier of safety-critical systems for the commercial vehicle industry. Under the umbrella brand of JOST, the comprehensive range of products is broken down into systems for applications on the road and in agriculture:

The JOST brand includes fifth wheel couplings, landing gears, ball bearing turntables, king pins and container locks as well as components for alternating systems. Truck and trailer axles are also sold under the JOST brand. The tradition-steeped ROCKINGER brand comprises the core components of towing hitches, drawbar eyes and drawbars for transporters and trucks. TRIDEC offers steering systems and axle suspensions for trailers.

ROCKINGER products are used in agricultural applications. Quicke has been part of the JOST family since February 2020 and specialises in agricultural front loaders and equipment.

JOST currently employs over 3,000 staff worldwide and has sales and production sites in over 20 countries and on all five continents. JOST has been listed on the Frankfurt Stock Exchange. Further information on JOST can be found here: www.jost-world.com
